ABOUT THE COLLEGE

The institute has a progressive and enlightened leadership, acclaimed faculty members, and a strong teaching pedagogy in place. It continues to impart management knowledge from a distinct perspective in order to develop future leaders capable of managing and creating great organisations. Guest lectures, workshops, industrial visits, seminars, and symposiums alternate with regular instruction at Avanthi to bridge the gap between what academia gives and what corporate expect. By inviting recruiters from leading corporate businesses to campus, we are widely renowned for providing outstanding academic services with good placement opportunities. We believe in student focus, determination, academic excellence, and integrity. Avanthi P.G. College provides MBA and MCA programmes.

8.	Objectives	To give our students the opportunity to become acquainted with the wonderful cultural legacy. Character, courage, comradeship, discipline, a spirit of camaraderie, and the pursuit of perfection are all attributes that must be developed. To spread the idea of national integration and the spirit of communal peace. To provide a platform for bringing youth together in order to provide them the opportunity to showcase their talents in various
9.	Outcomes	Swami Vivekananda message to the youth was that the way of life and values will make India a better country in the future. The students were inspired to be good citizens of India, thereby contributing to the country's growth, and they recognized that youth should be full of optimism and positive energy because they represent our nation's future.
10.	Description	Youth Day is observed to honor and spread the beliefs and ideals of Swami Vivekanada, a social reformer, philosopher, and thinker. 'Awaken Youth: Arise For Nationhood' was the event's theme. The goal of education is not just to impart academic knowledge, but also to assure students' overall growth. Education is complete and serves its purpose only when students are prepared to face challenges in all areas of life, whether educational, social, or cultural. The Intercollegiate Youth Festival "YUVA" held by Avanthi Degree and PG College gives an unprecedented arena for students to test their academic and artistic prowess. The opportunity provided by the Youth Festival to showcase their abilities and talents in the fields of culture, literature, and other activities on a single platform undoubtedly aids in their overall growth. It offers up new avenues of competition for the students while also demonstrating the strength of friendship, the joy of participation, and the satisfaction of being a part of one of the major celebrations of their student life. Around 103 students from various colleges registered and participated in five separate events. It allows students to work and interact with numerous aspects and other students in order to gain hands-on experience in event management. It allows participants to demonstrate their knowledge, talents, values, and skills in a variety of event competitions such as young manch (Skit on Swami Vivekanada's life experiences), youth icon (Role Play), youth rockers (reels & shots), Art Attack (creative kite creation), and Footloose (flash mob). At the end of the event, trophies were given to the winners, and certificates were given to all participants.

7.	Description	<p>The purpose of the Fresher's Party is to welcome new students in a friendly environment and to stimulate their creative instincts in order to build their confidence. It is the day when seniors and juniors finally bond and come together to enjoy being a part of the collegiate community. This celebration was attended by first-year students.</p> <p>The party was held at the Taj Mahal hotel in Narayanguda, Hyderabad. The programme began with a lamp lighting and welcoming address by Dr. Jayapradha, HR Director, Avanthi Group of Institutions, followed by a college report by Principal Dr. S. Apparao, Avanthi PG College, and placement report by Mr. Syed, TPO Avanthi PG College. HoDs, and all faculty members.</p> <p>The party kicked off with a classical dance performed in good spirits and with friendly grins. Pulsating ambience, flashing lights and foot-tapping music, set the mood of the party right. The excitement augmented to a joyful high as performances graced the stage. The mercury began to rise; the dance floor was left open for some unbridled energy. Students participated in the Ramp Walk and set fire to the ramp.</p> <p>.</p>

9.	Outcomes	Students gained insights into the role of space technology in disaster mitigation, the principles of remote sensing, various applications of remote sensing, classifications of satellites, and the communication methods of GEO, LEO, and polar satellites.
10.	Description	Avanthi PG College visited the National Remote Sensing Centre (NRSC) on 25th August, 2023, with the aim of gaining hands-on insights into remote sensing, satellite operations, and the corporate ethos of space technology. Upon our arrival at NRSC, we were directed to the conference hall where Mr. T. Shankar Prasad, Scientist at NRSC, provided us with an insightful overview of the company's founding and its historical journey, followed by informative videos highlighting space program milestones. Subsequently, we were guided to an exhibition within the premises. This firsthand encounter effectively bridged the chasm between theoretical study and practical application, bestowing a heightened learning encounter. This exposure also acquainted students with corporate work environments and professional expectations. Overall, the visit enriched students' understanding of remote sensing's tangible impacts and its role in shaping the space industry.
