# PRINCIPAL'S DESK

## **PROF. S. APPARAO**

Principal,  
Avanthi Degree & P.G. Colleges, Dilshuknagar

The college magazine fills me with immense elation. Beyond the regular curriculum, the magazine has consistently provided students with opportunities to shine. It will undoubtedly offer a wonderful glimpse of the journey we have all embarked upon together. Being a part of Avanthi is a true blessing, where every stakeholder actively engages in the pursuit of learning, exploration, and discovery. Our community thrives on experimentation and embraces new learning avenues.

As Avanthi continues to progress, our heartfelt gratitude extends to all our management and friends who have stood by us, encouraging excellence and motivating us to reach higher. Education, to us, is not merely about learning facts; it is about nurturing minds to think creatively. In this regard, I wish to express my personal gratitude to the departments for upholding the college's legacy and beliefs by empowering students to unleash their full potential, even during challenging times. To all the teaching staff, editorial team, contributors, and students, I extend my wholehearted thanks for their invaluable contributions to the magazine.

Special recognition is due to our esteemed Chairman, Sri. M. Srinivasa Rao, and all the management members for their unwavering support, making this magazine's timely publication possible. Their guidance and encouragement have been pivotal in making this vision a reality.

Together, we celebrate the essence of Avanthi, where endless opportunities for growth, learning, and making a positive impact on the world abound. May this magazine stand as a testament to our collective commitment to excellence and the pursuit of knowledge.

### MBA & MCA Placement Report

✦ Academic Year: April 2025 – March 2026 ✦

#### ABOUT THE CELL

At Avanthi PG College, Dilsukhnagar, we believe that securing a great job is just as important as academic success. As the Training & Placement Officer, Mr. Sumanth Kumar, takes immense pride in the remarkable progress our Placement Cell has made over the years. With a strong commitment to student success, we have consistently attracted leading organisations to our campus annually, offering students excellent career opportunities.

Our focus has always been on identifying high-growth industries such as IT, banking, finance, healthcare, and business process management. By aligning our placement strategy with these booming sectors, we have successfully brought in reputed multinational and national recruiters like Wipro, Sutherland, HDFC Bank, S&P Global, Kotak Mahindra Bank, Deloitte, Cognizant, Optum, Wells Fargo, State Street and ICICI Prudential . These partnerships have enabled our students to secure promising roles across diverse organisations. Our students have received outstanding placements with packages ranging up to 9 LPA, and the list of recruiters continues to grow, with TCS, Netweb, Genpact, 24/7 AI, Codeyoung, and HSBC confirmed for upcoming drives — with TCS Prime roles offering up to 12.26 LPA.

To enhance employability, we have introduced the Campus Recruitment Training program, a structured initiative designed to equip students with essential job-ready skills. This program focuses on communication skills, problem-solving, aptitude, and interview techniques to ensure our students can confidently face the recruitment process and excel in corporate settings.

Beyond academic learning, we emphasise real-world exposure. To bridge the gap between education and industry expectations, we organise industrial visits, conduct career guidance sessions, and run diagnostic tests to help students identify their strengths, understand skill gaps, and make informed career choices.

Looking ahead, our vision is to make placements even more dynamic by attracting more organisations, increasing salary packages, and expanding student selections. We are committed to strengthening our industry connections and continuously refining our training programs to meet the evolving demands of the corporate world.

At Avanthi PG College, we don't just focus on education — we create pathways to success. Our goal is to empower students with the skills, knowledge, and confidence to thrive in the corporate world. With our strong placement record and commitment to excellence, we continue to shape bright futures for our students.
