

## PERSONALITY DEVELOPMENT PROGRAMME

As promised to the students, that Avanthi takes care of enhancing and shaping the total personality of the students, A programme on personality development was organized at Avanthi on 18<sup>th</sup> September.

The speaker for the programme was prof. Vishwanatham(retd.) Osmania university. He organized an interactive session with the students of MBA and MCA juniors. There by trying to get their perception on various aspects of life and success. He masters the art of motivating the students. He taught the techniques of time management, planning and perseverance to the students. The students were given tips to enhance their overall personalities. He inclined the students to hold their ethical values strongly.

At the end of the session the students were able to focus themselves better, have a better outlook towards success and how to impact others by developing positive attitude
