Avanthi PG College, provides a platform to encourage students about knowing unknown things which are related to so many aspects like Traditional Day.

Traditional Day, where major cultures of India combine to represent different cultures, festivals/events, food, gods, temples, traditions etc. to teach India's main assets through religious aspects. Some state cultures of India are 1. Jammu & Kashmir 2. Kerala 3. West Bengal 4. Tamilnadu 5. Telugu 6. Maharashtra.

A student who did not get this virtual reality to learn something about Indian cultures and a student who had never experienced this beautiful memorable event in his/her whole carrier.
